AMC 8	The after-school program will be hosting the AMC 8 math in competition January. The AMC 8 is a 25-question, 40-minute, multiple choice examination in middle school mathematics designed to promote the development of problem-solving skills. The AMC 8 provides an opportunity for middle school students to develop positive attitudes towards analytical thinking and mathematics that can assist in future careers. Students apply classroom skills to unique problem-solving challenges in a low-stress and friendly environment. More information about the test window and sign-up form will be available by early December. Spaces will be limited in this activity and participants will be accepted on a first come, first served basis. Check out the MAA AMC website for practice problems - https://maa.org/sites/default/files/2016_AMC8_PracticeProblems.pdf .	Ms. Campbell	Lecture Hall						registration will open on 11/8 at 4PM - spaces are limited	Competition will take place on 1/22	registration required
AMC 10	This competition will be held on 11/14. This opportunity is only open to RRMS students advanced mathematics - Geometry or Algebra II. Spaces are limited!	Ms. Campbell	Cafeteria		1-2				sign-up required - spaces are limited	competition will take place on 11/14	closed
Appian Board Game Club	Appian Board Game Club is a club for students who are interested in strategic game play. Games such as Catan, Splendor, Ingenious and other strategy-based games are reviewed, taught, and played. The club sponsors free competitions and tournaments against local schools for prizes 2-3 times a year. This is a great place to come to have fun, build critical thinking and problem-solving skills, and make friends! Consider joining us!	Ms. Barnhart & Ms. Harrington	306				1 and 2	open	9/28	open
