AMC 10	This competition will be held later in the fall. This opportunity is only open to RRMS students advanced mathematics - Geometry or Algebra II. Spaces are limited!	Ms. Campbell	Lecture Hall		11/12 only, session 1 - 2				sign-up required - spaces are limited	11/12 only	closed
AMC 8	The after-school program will be hosting the AMC 8 math in competition January. The AMC 8 is a 25-question, 40-minute, multiple choice examination in middle school mathematics designed to promote the development of problem-solving skills. The AMC 8 provides an opportunity for middle school students to develop positive attitudes towards analytical thinking and mathematics that can assist in future careers. Students apply classroom skills to unique problem-solving challenges in a low-stress and friendly environment. More information about the test window and sign-up form will be available by early December. Spaces will be limited in this activity and participants will be accepted on a first come, first served basis. Check out the MAA AMC website for practice problems - https://maa.org/sites/default/files/2016_AMC8_PracticeProblems.pdf .	Ms. Campbell	Lecture Hall			1/22 only, session 1-2			sign-up required - spaces are limited	1/22 only	open

Club	Description	Sponsor	Meeting Location	Mon	Tues	Wed	Thu	Fri	Registration Required or Open Enrollment?	1st Meeting Date	Enrollment Status
Appian Board Game Club	Appian Board Game Club is a club for students who are interested in strategic game play. Games such as Catan, Splendor, Ingenious and other strategy-based games are reviewed, taught, and played. The club sponsors free competitions and tournaments against local schools for prizes 2-3 times a year. This is a great place to come to have fun, build critical thinking and problem-solving skills, and make friends! Consider joining us!	Ms. Barnhart	306				1 and 2		open	9/19	open
Art Club	Art club is a place for you to de-stress, try new things, and express yourself through art. The club will be open studio, meaning you get to decide what you want to create. Whether you love painting, drawing, or sculpting, there's a place for you here (no experience necessary)!	Ms. Valade	125			1 and 2			open	9/11	open
Battle of the Books	In Battle of the Books, we will read amazing books, prepare for competitions to show our knowledge of the books, and compete against teams from other schools. During weekly meetings, we will also participate in team challenges to strengthen our teamwork as we prepare for competitions.	Ms. Kroes	Library				1		Sign-Up Required	9/12	closed
Best Buddies	This club is for our general education student and our students with intellectual and developmental disabilities (IDD). We help build friendships, social and communication skills, and have a ton of fun!	Ms. Marshall & Ms. Witt	Lecture Hall						registration required	tbd	open

Cross Country Team	Enjoy running or WANT to enjoy running?! We will be practicing and conditioning to participate in 4 Saturday meets against other schools this Fall. An FCPS sports physical and cross country registration are REQUIRED. The deadline for form submission is 9/16. Students cannot attend practice until forms have been completed. More information is posted on teh Rocky Run website and Schoology.	Ms. Speir, Ms. Magwire, Ms. Kroes	Outside	2:30 - 3:30 PM		2:30 - 3:30 PM			sign up and sports physical are required by 3PM on 9/16	9/9	closed
Cribbage Club	Learn the centuries-old card game of cribbage. Exercise your basic math skills (if you can add with relative confidence, you're good). Move little plastic pegs around a wooden board to win. Don't get skunked! "Mug" your opponent with sportsmanlike zeal. If all this sounds interesting, join the Cribbage Club.	Mr. Linck & Ms. Schopp	210	1				open	10/7	open	
CyberPatriots	We will be offering a CyberPatriots club this year. Spaces are limited! Students who can commit to attending all monthly meetings will be accepted on a first come, first served basis. A bit about CyberPatriots - this is a nationally connected Air Force Association (AFA) club that encourages growth in cybersecurity skills, including, but not limited to, configuring network devices and secure machines. The club sponsors (RRMS staff and a Chantilly HS student) will tutor students in such cybersecurity skills. They are hoping to expose students to cybersecurity knowledge and awareness, topics especially relevant in our increasingly online world.	Ms. Tatis-Phan and CHS Student	126	2				sign-up required	10/7	open
