

### **All Students:**

Rocky Run Counselors will begin having 1:1 academic advising meetings with every rising 9th grader through their science classes beginning on January 28th. **Course selections should be entered into SIS prior to these meetings.**

Here are the directions to [enter course requests into SIS StudentVue](#). **Do Not Use the 'Enter' Key while using StudentVue. If your Course Requests are locked, email your middle school counselor directly.** Course requests must be **finalized by Friday, February 5th.**

RRMS counselors will have an open forum for any questions you may have after hearing from the high school counselors and talking with your families. Please join us on one of these two days to get some of your questions answered prior to our 1:1 meetings:

Tuesday 1/19  
10:30am - 11:15am

[Google Meet Link for Q&A on 1/19](#)

Thursday 1/21  
2:30pm-3:30pm

[Rising 9th Grade Electives Descriptions](#)

\*\*Students must register for the next level class they are eligible for at this time. For those students that are interested in taking a summer school class, you must register for that class prior to March 12th. Once you have registered for the summer course please notify your Middle School Counselor so we can email the Chantilly Counselors to indicate the class to remove/add. For example, if you want to take HPE 9 over the summer in order to add a 3rd elective you must register online through the central registration portal (ACE) for HPE 9 prior to March 12th. Then you must inform your middle school counselor what elective should replace HPE 9 in the fall so that we may notify Chantilly.
