

ROCKY RUN MIDDLE SCHOOL

RISING 8TH GRADE ACADEMIC ADVISING INFORMATION

FEB 5 - 9

All 7th graders will learn about core courses and electives for 8th grade. They will also learn how to enter their course selections in SIS StudentVUE.

STEP

STEP

2

RESEARCH & DISCUSS

This is a time for students and parents to be researching courses, electives and asking questions in preparation for students' one-on-one academic advising with their counselors. Course selections must be entered in SIS during this time.

1:1 ACADEMIC ADVISING

STEP

3

Students will be meeting individually with their counselor during Science classes to discuss the courses entered in SIS. Use this time to ask questions, get clarification or finalize decisions.

STEP

4

CHANGES?

If students would like to make changes to their course requests after their advising session, they must contact their counselor.
