- There is no fee for the after-school program (some clubs will require a fee due to activity registration costs).
- Most clubs are open enrollment and do not require a pre-registration. Some may require an application, audition, test to be selected.
- All students are required to sign in to the after-school attendance program at the start of each session.
- Discuss your child's after-school plans every morning to prevent any confusion in the afternoon.
- Students should make arrangements before the end of the school day to stay after with a specific teacher. This will ensure that the teacher will be available.
- If you are picking your child up during a club session, you must come in to the main office to sign him/her out. If you are picking up during transition times, you can meet him/her at Kiss-n-Ride. **All parent pick-ups must take place no later than 4:30 pm.**
- *The front driveway must remain open for buses at all times.*
- Encourage your child to get involved in as many activities as possible. After-school is a great time to get extra academic help and/or enrichment, make new friends, complete homework, etc.
- Every student must return the After-School Registration google form, which will be distributed in September.

## ACTIVITY SCHEDULE

- Weekly activity lists will be posted on Rocky Run's website in the Activities section. Announcements will also be emailed via News You Choose and on Schoology.
