Academic Advising Information

February 5th - 9th

- Counselors will present information on choosing courses/electives for 8th grade and how to enter course requests in SIS

February 12th - 23rd

- Counselors will meet with students one-on-one for academic advising. At this time, we will make sure each student has all course requests entered.

After advising sessions, course change requests must be sent to the counselor.

After School And Activity Information
